

HIGH LEVEL STAKEHOLDERS CONSULTATION MEETING ON 2016 - 2018 COUNTRY PROGRAMME ACTION PLAN

OUTCOME 2: **ADOLESCENTS AND YOUTH**

By: Dr. Yung Kunthearith (MoEYS) & Mr. Chea Bunheng (MoI)
27th October 2015 | Council for the Development of Cambodia

CPAP Outcome and Outputs

Outcome 2:

Increased priority on adolescents, especially on very young adolescent girls, in national development policies and programmes, particularly increased availability of comprehensive sexuality education and sexual and reproductive health services.

Output 1:

Increased national and subnational capacity to advocate for increased investment in youth within development policies and programmes, with young people's full participation.

Output 2:

Increased national capacity in designing and implementing systematic comprehensive sexuality education.
