Standard Provisions

Article A: Definitions and Implementation Letters.

Section A.1. Definitions. As used in this Annex, the “Agreement” refers to the Development Objective Grant Agreement to which this Annex is attached and of which this Annex forms a part. Terms used in this Annex have the same meaning or reference as in the Agreement.

Section A.2. Implementation Letters. To assist the Grantee in the implementation of the Agreement, USAID, from time to time, will issue Implementation Letters that will furnish additional information about matters stated in this Agreement. The Parties may also issue jointly agreed-upon Implementation Letters to confirm and record their mutual understanding on aspects of the implementation of this Agreement. Implementation Letters can also be issued to record revisions or exceptions which are permitted by the Agreement.

Article B: General Covenants.

Section B.1. Consultation. The Parties will cooperate to assure that the Objective and results of this Agreement will be accomplished. To this end, the Parties, at the request of either, will exchange views on progress towards the Objective and results, the performance of obligations under this Agreement, the performance of any consultants, contractors, or suppliers engaged under the Agreement, and other matters relating to the Agreement.

Section B.2. Execution of Agreement. The Grantee will:

(a) Carry out the Agreement and the activities required to be undertaken directly (or caused to be undertaken) by the Grantee, or cause the Agreement and such activities to be carried out with due diligence and efficiency, in conformity with sound technical, financial, and management practices, and in conformity with those documents, plans, specifications, contracts, schedules, or other arrangements, and with any modifications therein, approved by USAID pursuant to this Agreement; and

(b) Provide qualified and experienced management for, and train such staff as may be appropriate for the maintenance and operation of activities financed under the Agreement, and, as applicable for continuing activities, cause those activities to be operated and maintained in such manner as to assure the continuing and successful achievement of the Objective and results of the Agreement.

Section B.3. Utilization of Goods and Services. Any goods and services financed under this Agreement, unless otherwise agreed in writing by USAID, will be devoted to the Agreement until the completion or termination of the Agreement, and thereafter (as well as during any period of suspension of the Agreement) will be used to further the Objective of the Agreement and as USAID may direct in Implementation Letters.

Section B.4. Taxation.

(a) General Exemption. The Agreement and the assistance thereunder are free from any taxes imposed under laws in effect in the territory of the Grantee.

(b) Except as provided otherwise in this provision, the General Exemption in subsection (a) applies to, but is not limited to (1) any activity, contract, grant or other implementing agreement financed by USAID under this Agreement; (2) any transaction or supplies, equipment, materials, property or other goods (hereinafter collectively "goods") under (1) above; (3) any contractor, grantee, or other organization carrying out activities financed by USAID under this Agreement; (4) any employee of such organizations; and (5) any individual contractor or grantee carrying out activities financed by USAID under this Agreement.

(c) Except as provided otherwise in this provision, the General Exemption in subsection (a) applies to, but is not limited to, the following taxes:

Exemption 1. Customs duties, tariffs, import taxes, or other levies on the importation, use and re-exportation of goods or the personal belongings and effects (including personally-owned automobiles) for the personal use of non- national individuals or their family members.

Exemption 1 includes, but is not limited to, all charges based on the value of such imported goods, but does not include service charges directly related to services performed to transfer goods or cargo.

Exemption 2. Taxes on the income, profits or property of all (i) non-national organizations of any type, (ii) non-national employees of national and non-national organizations, or (iii) non-national individual contractors and grantees. Exemption 2 includes income and social security taxes of all types and all taxes on the property, personal or real, owned by such non-national organizations or persons. The term "national" refers to organizations established under the laws of the Grantee and citizens of the Grantee, other than permanent resident aliens in the United States.

Exemption 3. Taxes levied on the last transaction for the purchase of goods or services financed by USAID under this Agreement, including sales taxes, value-added taxes (VAT), or taxes on purchases or rentals of real or personal property. The term "last transaction" refers to the last transaction by which the goods or services were purchased for use in the activities financed by USAID under this Agreement.

(d) If a tax has been levied and paid contrary to the provisions of an exemption, USAID may, in its discretion, (1) require the Grantee to refund to USAID or to others as USAID may direct the amount of such tax with funds other than those provided under the Agreement, or (2) offset the amount of such tax from amounts to be disbursed under this or any other agreement between the Parties.

(e) In the event of a disagreement about the application of an exemption, the Parties agree to promptly meet and resolve such matters, guided by the principle that the

assistance furnished by USAID is free from direct taxation, so that all of the assistance furnished by USAID will contribute directly to the economic development of the country of the Grantee.

Section B.5. Reports and Information, Agreement Books and Records, Audits, and Inspections.

(a) Reports and Information. The Grantee shall furnish USAID accounting records and such other information and reports relating to the Agreement as USAID may reasonably request.

(b) Grantee Agreement Books and Records. The Grantee shall maintain accounting books, records, documents and other evidence relating to the Agreement, adequate to show, without limitation, all costs incurred by the Grantee under the Agreement, the receipt and use of goods and services acquired under the Agreement by the Grantee, agreed-upon cost sharing requirements, the nature and extent of solicitations of prospective suppliers of goods and services acquired by the Grantee, the basis of award of Grantee contracts and orders, and the overall progress of the Agreement toward completion ("Agreement books and records"). The Grantee shall maintain Agreement books and records in accordance with generally accepted accounting principles prevailing in the United States, or at the Grantee's option, with approval by USAID, other accounting principles, such as those (1) prescribed by the International Accounting Standards Board (a subsidiary of the International Financial Reporting Standards Foundation) or (2) prevailing in the country of the Grantee. Agreement books and records shall be maintained for at least three years after the date of last disbursement by USAID or for such longer period, if any, required to resolve any litigation, claims or audit findings. For the avoidance of doubt, this Section B.5(b) applies solely to Grant funds expended directly by the Grantee.

(c) Grantee Audit. If \$300,000 or more of USAID funds are expended directly by the Grantee in its fiscal year under the Agreement, the Grantee shall have financial audits made of the expenditures in accordance with the following terms, except as the Parties may otherwise agree in writing:

(1) With USAID approval, the Grantee shall use its Supreme Audit Institution or select an independent auditor in accordance with the "Guidelines for Financial Audits Contracted by Foreign Recipients" issued by the USAID Inspector General ("Guidelines"), and the audits shall be performed in accordance with the "Guidelines"; and

(2) The audit shall determine whether the receipt and expenditure of the funds provided under the Agreement are presented in accordance with generally accepted accounting principles agreed to in subsection (b) above and whether the Grantee has complied with the terms of the Agreement. Each audit shall be completed no later than nine months after the close of the Grantee's year under audit.

(d) Sub-recipient Audits. The Grantee, except as the Parties may otherwise agree in writing, must ensure that "covered" sub-recipients, as defined below, are audited, and submit to USAID, no later than the end of the Grantee's year under audit, in form and substance satisfactory to USAID, a plan for the audit of the expenditures of "covered" sub-

47

recipients, as defined below, that receive funds in connection with a direct contract or agreement entered into directly with the Grantee pursuant to the activities contemplated by this Agreement.

(1) A “covered” sub-recipient is one who expends \$300,000 or more in its fiscal year in “USAID awards” (i.e., as contractors or sub-recipients under USAID-financed development objective agreements and other grant agreements with foreign governments).

(2) The plan shall describe the methodology to be used by the Grantee to satisfy its audit responsibilities for covered sub-recipients. The Grantee may satisfy such audit responsibilities by relying on independent audits of the sub-recipients; expanding the scope of the independent financial audit of the Grantee to encompass testing of sub-recipients’ accounts; or a combination of these procedures.

(3) The plan shall identify the funds made available to covered sub-recipients that will be covered by audits conducted in accordance with other audit provisions that would satisfy the Grantee’s audit responsibilities. (A nonprofit organization organized in the United States is required to arrange for its own audits. A for-profit contractor organized in the United States that has a direct contract with USAID is audited by the cognizant U.S. Government Agency. A private voluntary organization organized outside the United States with a direct grant from USAID is required to arrange for its own audits. A Grantee contractor should be audited by the Grantee’s auditing agency.)

(4) The Grantee shall ensure that covered sub-recipients under direct contracts or agreements with the Grantee take appropriate and timely corrective actions; consider whether sub-recipients’ audits necessitate adjustment of its own records; and require each such sub-recipient to permit independent auditors to have access to records and financial statements as necessary.

(e) Audit Reports. The Grantee shall furnish or cause to be furnished to USAID an audit report for each audit arranged for by the Grantee in accordance with this Section within 30 days after completion of the audit and no later than nine months after the end of the period under audit.

(f) Other Covered Sub-recipients. For “covered” sub-recipients who receive funds under the Agreement pursuant to direct contracts or agreements with USAID, USAID will include appropriate audit requirements in such contracts or agreements and will, on behalf of the Grantee, conduct the follow-up activities with regard to the audit reports furnished pursuant to such requirements.

(g) Cost of Audits. Subject to USAID approval in writing, allowable, allocable and reasonable costs of audits performed in accordance with the terms of this Section may be charged to the Agreement.

(h) Audit by USAID. USAID retains the right to perform the audits required under this Agreement on behalf of the Grantee by utilizing funds under the Agreement or other resources available to USAID for this purpose, conduct a financial review, or

4

otherwise ensure accountability of organizations expending USAID funds regardless of the audit requirement.

(i) Opportunity to Audit or Inspect. The Grantee shall afford authorized representatives of USAID the opportunity at all reasonable times to audit or inspect activities financed under the Agreement, the utilization of goods and services financed by USAID, and books, records and other documents relating to the Agreement.

(j) Sub-recipient Books and Records. The Grantee will incorporate paragraphs (a), (b), (d), (e), (g), (h) and (i) of this provision into all sub-agreements with non-U.S. organizations which meet the \$300,000 threshold of paragraph (c) of this provision. Sub-agreements with non-U.S. organizations, which do not meet the \$300,000 threshold, shall, at a minimum, incorporate paragraphs (h) and (i) of this provision. Sub-agreements with U.S. organizations shall state that the U.S. organization is subject to the audit requirements contained in OMB Circular A-133.

Section B.6. Completeness of Information.

The Parties confirm:

(a) that the facts and circumstances of which it has informed the other Party, or caused the other Party to be informed, in the course of concluding the Agreement, are accurate and complete, and include all facts and circumstances that might materially affect the Agreement and the discharge of responsibilities under the Agreement; and

(b) that it will inform the other Party in a timely fashion of any subsequent facts and circumstances that might materially affect, or that it is reasonable to believe might so affect, the Agreement or the discharge of responsibilities under the Agreement.

Section B.7. Other Payments. The Parties affirm that no payments have been or will be received by any official of the Parties in connection with the procurement of goods or services financed under the Agreement, except fees, taxes, or similar payments legally established in the country of the Grantee.

Section B.8. Information and Marking. The Grantee will give appropriate publicity to the Agreement as a program to which the United States has contributed, identify Agreement activity sites, and mark goods financed by USAID, as described in Implementation Letters.

Article C: Procurement Provisions.

Section C.1. Source and Nationality.

(a) All goods financed under the Agreement shall have their source, and the suppliers of all goods and services financed under the Agreement shall have their nationality, in countries included in Geographic Code 937, except as USAID may otherwise agree in writing and as follows:

8

camp

(1) Ocean transportation costs shall be financed under the Agreement only on vessels under flag registry of countries included in Code 935. Also see Section C.6 on use of U.S. flag vessels.

(2) Any motor vehicles financed under the Agreement will be of United States manufacture, except as USAID may otherwise agree in writing.

(b) The nationality of ocean and air shipping will be deemed to be the ocean vessel's or aircraft's country of registry at the time of shipment.

(c) Provisions concerning restricted and ineligible goods and services may be provided in an Implementation Letter.

(d) Transportation by air of property or persons financed under this Agreement will be on carriers holding United States certification, to the extent service by such carriers is available under the Fly America Act. This requirement may be further described by USAID in Implementation Letters.

Section C.2. Eligibility Date. No goods or services may be financed under the Agreement which are procured pursuant to orders or contracts firmly placed or entered into prior to the date of this Agreement, except as the Parties may otherwise agree in writing.

Section C.3. Plans, Specifications and Contracts. In order for there to be mutual agreement on the following matters, and except as the Parties may otherwise agree in writing:

(a) The Grantee will furnish to USAID upon preparation:

(1) any plans, specifications, procurement or construction schedules, contracts, or other documentation between the Grantee and third parties, relating to goods or services to be financed under the Agreement, including documentation relating to the prequalification and selection of contractors and to the solicitation of bids and proposals. Material modifications in such documentation will likewise be furnished USAID on preparation; and

(2) such documentation will also be furnished to USAID, upon preparation, relating to any goods or services, which, though not financed under the Agreement, are deemed by USAID to be of major importance to the Agreement. Aspects of the Agreement involving matters under this subsection (a)(2) will be identified in Implementation Letters.

(b) Documents related to the prequalification of contractors, and to the solicitation of bids or proposals for goods and services financed under the Agreement will be approved by USAID in writing prior to their issuance, and their terms will include United States standards and measurements;

(c) Contracts and contractors financed under the Agreement for engineering and other professional services, for construction services, and for such other services, equipment,

or materials as may be specified in Implementation Letters, will be approved by USAID in writing prior to execution of the contract. Material modifications in such contracts will also be approved in writing by USAID prior to execution; and

(d) Consulting firms used by the Grantee for the Agreement but not financed under the Agreement, the scope of their services and such of their personnel assigned to activities financed under the Agreement as USAID may specify, and construction contractors used by the Grantee for the Agreement but not financed under the Agreement, shall be acceptable to USAID.

Section C.4. Reasonable Price. No more than reasonable prices will be paid for any goods or services financed, in whole or in part, under the Agreement. Such items will be procured on a fair and, to the maximum extent practicable, competitive basis.

Section C.5. Notification to Potential Suppliers. To permit all United States firms to have the opportunity to participate in furnishing goods and services to be financed under the Agreement, the Grantee will furnish USAID such information with regard thereto, and at such times, as USAID may request in Implementation Letters.

Section C.6. Transportation and Insurance. In addition to the requirements in Section C.1 (a), costs of ocean or air transportation, including insurance and related delivery services, may not be financed under the Grant without prior USAID approval and will be incurred and obtained in accordance with USAID policies and procedures.

Section C.7. Reserved.

Section C.8. Reserved.

Section C.9. Procurement and Disbursement of Funds. The Grantee agrees that with respect to implementation of activities set forth in Annex 1, funds under the Grant may be contracted or otherwise committed and disbursed directly by USAID to third parties in accordance with USAID's normal regulations and procedures, unless otherwise agreed to by USAID in writing. USAID undertakes to provide periodic reports to the Grantee as to the status of USAID direct contracts and grants to third parties made with funds under the Grant no more frequently than quarterly or as the Parties may otherwise agree in writing.

Article D: Disbursements.

Section D.1. Other Forms of Disbursement. Disbursements that may be made directly by USAID to the Grantee under this Agreement will be made through such means as the Parties may agree to in writing.

Section D.2. Rate of Exchange. If funds provided under the Agreement are introduced into the Partner Country by USAID or any public or private agency for purposes of carrying out obligations of USAID hereunder, the Grantee will make such arrangements as may be necessary so that such funds may be converted into local currency at the highest rate of exchange which, at the time the conversion is made, is not unlawful in the country of the Grantee to any person for any purpose.

**Article E: Termination;
Remedies.**

Section E.1. Suspension and Termination.

(a) Either Party may terminate this Agreement in its entirety by giving the other Party 30 days' written notice. USAID also may terminate this Agreement in part by giving the Grantee 30 days' written notice, and suspend this Agreement in whole or in part upon giving the Grantee written notice. In addition, USAID may terminate this Agreement in whole or in part, upon giving the Grantee written notice, if (i) the Grantee fails to comply with any provision of this Agreement, (ii) an event occurs that USAID determines makes it improbable that the Objective or Results of the Agreement or the assistance program will be attained or that the Grantee will be able to perform its obligations under this Agreement, or (iii) any disbursement or use of funds in the manner herein contemplated would be in violation of the legislation governing USAID, whether now or hereafter in effect.

(b) Except for payment which the Parties are committed to make pursuant to non-cancellable commitments entered into with third parties prior to such suspension or termination, suspension or termination of this entire Agreement or part thereof will suspend (for the period of the suspension) or terminate, as applicable, any obligation of the Parties to provide financial or other resources to the Agreement, or to the suspended or terminated portion of the Agreement, as applicable. Any portion of this Agreement which is not suspended or terminated shall remain in full force and effect.

(c) In addition, upon such full or partial suspension or termination, USAID may, at USAID's expense, direct that title to goods financed under the Agreement, or under the applicable portion of the Agreement, be transferred to USAID if the goods are in a deliverable state.

Section E.2. Refunds.

(a) In the case of any disbursement which is not supported by valid documentation in accordance with this Agreement, or which is not made or used in accordance with this Agreement, or which was for goods or services not used in accordance with this Agreement, USAID, notwithstanding the availability or exercise of any other remedies under this Agreement, may require the Grantee to refund the amount of such disbursement in U.S. Dollars to USAID within sixty (60) days after receipt of a request therefor.

(b) If the failure of Grantee to comply with any of its obligations under this Agreement has the result that goods or services financed or supported under the Agreement are not used effectively in accordance with this Agreement, USAID may require the Grantee to refund all or any part of the amount of the disbursements under this Agreement for or in connection with such goods or services in U.S. Dollars to USAID within sixty (60) days after receipt of a request therefor.

(c) The right under subsections (a) or (b) to require a refund of a disbursement

4

em

will continue, notwithstanding any other provision of this Agreement, for three years from the date of the last disbursement under this Agreement.

(d) (1) Any refunds under subsections (a) or (b), or (2) any refund to USAID from a contractor, supplier, bank or other third party with respect to goods or services financed under the Agreement, which refund relates to an unreasonable price for or erroneous invoicing of goods or services, or to goods that did not conform to specifications, or to services that were inadequate, will (A) be made available first for the Agreement, to the extent justified, and (B) the remainder, if any, will be subtracted from the amount of the Grant.

(e) Any interest or other earnings on funds disbursed by USAID to the Grantee under this Agreement prior to the authorized use of such funds for the Agreement will be returned to USAID in U.S. Dollars by the Grantee, unless USAID otherwise agrees in writing.

Section E.3. Non-waiver of Remedies. No delay in exercising any right or remedy accruing to a Party in connection with its financing under this Agreement will be construed as a waiver of such right or remedy.

Section E.4. Assignment. The Grantee agrees, upon request, to execute an assignment to USAID of any cause of action which may accrue to the Grantee in connection with or arising out of the contractual performance or breach of performance by a Party to a direct U.S. Dollar contract which USAID financed in whole or in part out of funds granted by USAID under this Agreement.

Article F: Miscellaneous.

Section F.1. Investment Promotion. Except as specifically set forth in the Grant or otherwise authorized by USAID in writing, no funds or other support provided hereunder may be used to provide a financial incentive to a business enterprise currently located in the United States for the purpose of inducing such an enterprise to relocate outside the United States if such incentive or inducement is likely to reduce the number of employees of such business enterprise in the United States because United States production is being replaced by such enterprise outside the United States.

Section F.2. Abortion and Involuntary Sterilization Restrictions.

(a) Funds made available under this Agreement must not be used to pay for the performance of involuntary sterilization as a method of family planning or to coerce or provide any financial incentive to any individual to practice sterilization.

(b) No funds made available under this Agreement will be used to finance, support, or be attributed to the following activities: (i) procurement or distribution of equipment intended to be used for the purpose of inducing abortions as a method of family planning; (ii) special fees or incentives to any person to coerce or motivate them to have abortions; (iii) payments to persons to perform abortions or to solicit persons to undergo abortions; (iv) information, education, training, or communication programs that seek to

promote abortion as a method of family planning; and (v) lobbying for or against abortion. The term “motivate”, as it relates to family planning assistance, must not be construed to prohibit the provision, consistent with local law, of information or counseling about all pregnancy options.

(c) No funds made available under this Agreement will be used to pay for any biomedical research which relates, in whole or in part, to methods of, or the performance of, abortions or involuntary sterilizations as a means of family planning. Epidemiologic or descriptive research to assess the incidence, extent or consequences of abortions is not precluded.

(d) This provision must be included in all sub-agreements, including contracts and sub-awards, issued under this Agreement.

(e) USAID may issue implementation letters that more fully describe the requirements of this section.

Section F.3. Workers’ Rights. Except as specifically set forth in the Grant or otherwise authorized by USAID in writing, no funds or other support provided hereunder may be used for any activity that contributes to the violation of internationally recognized workers’ rights in the Partner country.

Section F.4. Terrorist Financing. Consistent with numerous United Nations Security Council resolutions, both USAID and the Partner are firmly committed to the international fight against terrorism, and in particular, against the financing of terrorism. It is the policy of USAID to seek to ensure that none of its funds are used, directly or indirectly, to provide support to individuals or entities associated with terrorism. In accordance with this policy, the Partner agrees to use reasonable efforts to ensure that none of the USAID funds provided under this Agreement are used to provide support to individuals or entities associated with terrorism. USAID may issue Implementation Letters that more fully describe the requirements of this section.

7
