

Capacity for MfDR

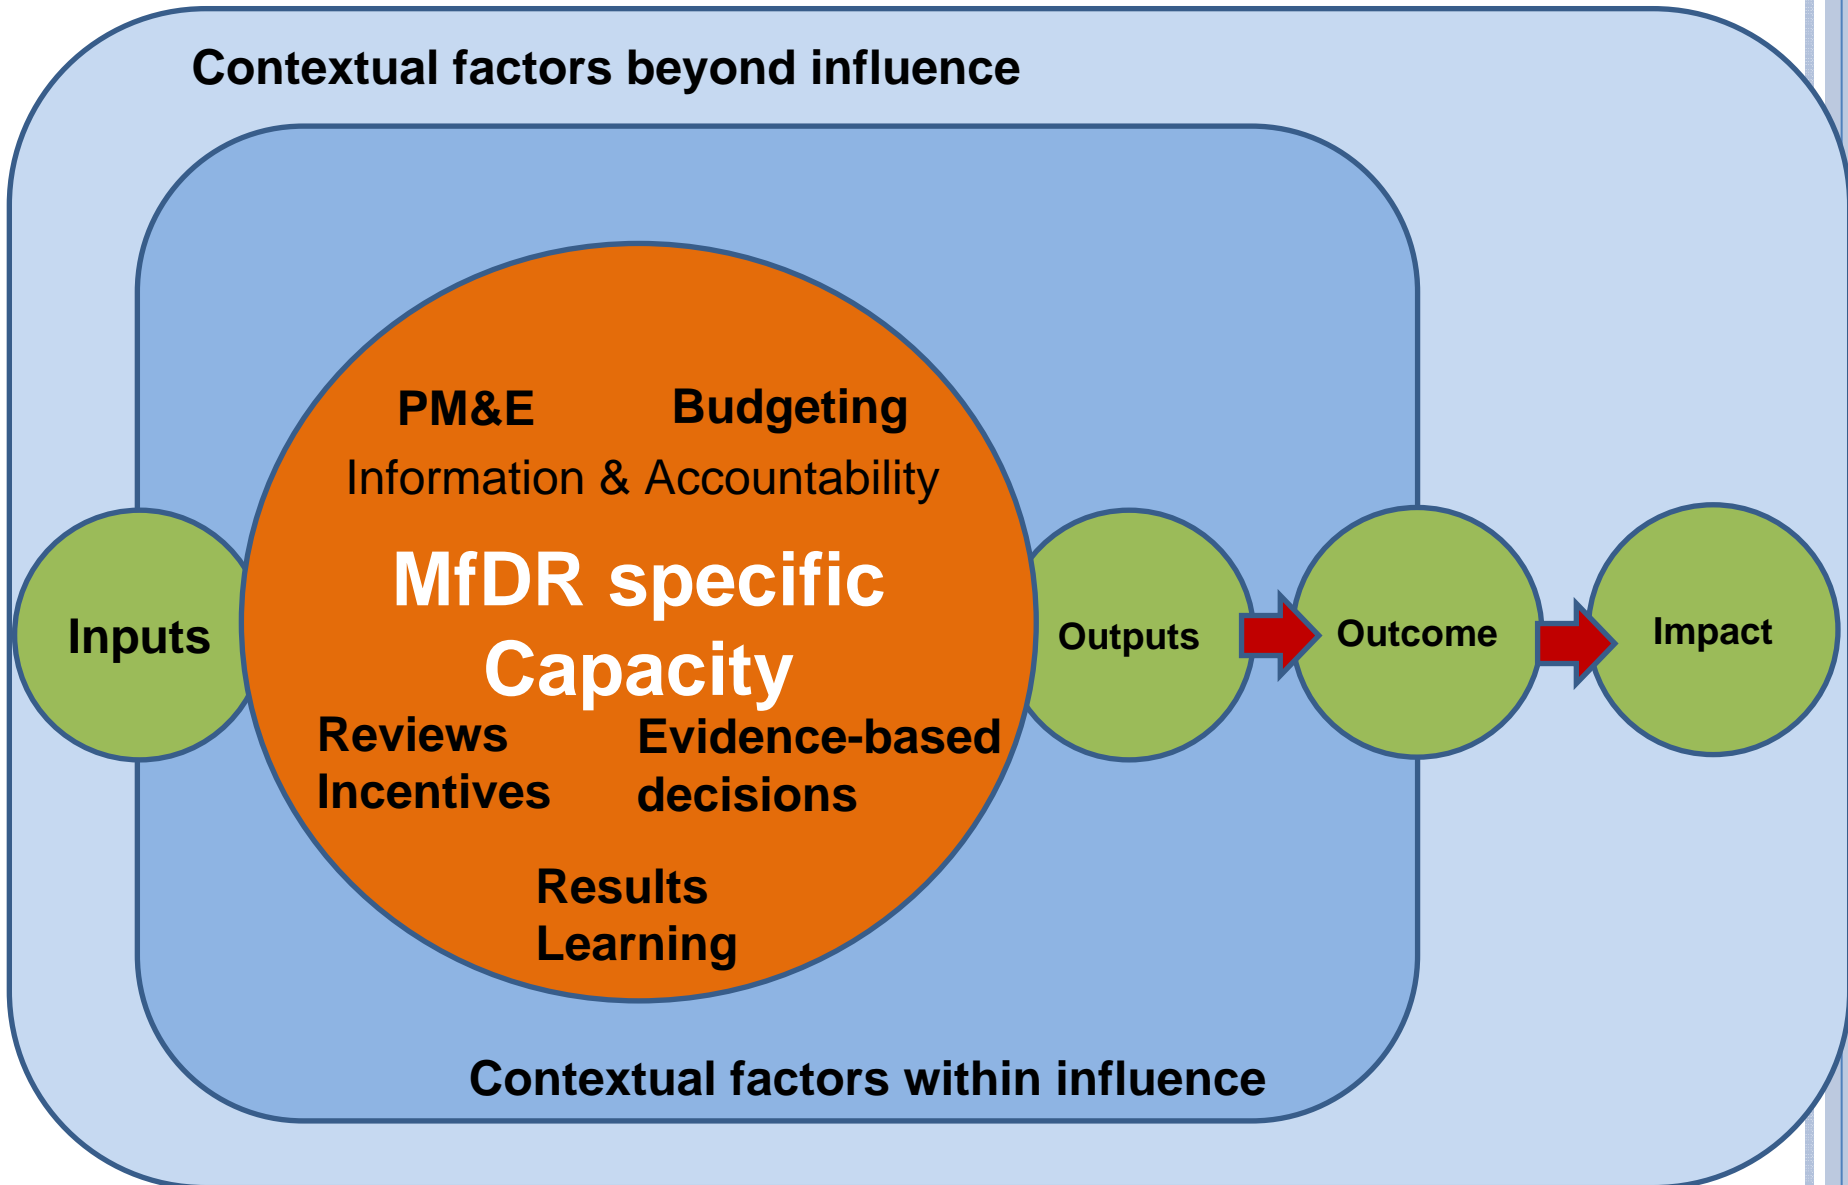

Leadership Functions

- **Generating solid commitment for MfDR**
- **Demonstrating that evidence about results informs policy and budget priorities**
- **Demonstrating that evidence about results is used for learning**
- **Mobilizing the human and financial resources**
- **Motivating and empowering people to achieve results**

Are we there yet?

No, but there are good examples already.

And:

- ✓ **Successful implementation starts with a political choice**
- ✓ **Leaders in government, parliament and civil society are crucial**
- ✓ **Important to create links and relationship among those leaders**
- ✓ **Strategies that engage civil society more effectively must also be developed.**
- ✓ **Good management of the practical consequences makes it into a success**

Group work 5

Consider which areas to give more attention/ have greater influence on to manage for development results.

Possible areas:

- Result chains**
- Organisational roles and processes**
- Aid Effectiveness activities**
