# Contents

- SDGs in Global and Regional Context
- SDGs pre-localize in Cambodia
- SDGs Localize in Cambodian Context (CSDGs)
- M & E Framework

# SDGs in Global and Regional Context

- ❑ MDGs is going to end in December 2015
- ❑ The next Agenda of Millennium Development Goal (MDGs): Post-2015 Development Agenda is known Sustainable Development Goals (SDGs).
- ❑ In Sep. 2015: Cambodia High Delegations lead by Samdech Techo to the UN-General Assembly 25-27 Sep. 2015, endorsed SDGs 2015-2030:
  - Goals: 17 goals (fixed)
  - Targets: 169 targets (fixed)

# SDGs in Global and Regional Contexts (con't)

- ❑ List of Indicators is still discussing among Statistical experts to make sure that each indicator must have data support and it will be finalized by Mar. – Jul. 2016.
- ❑ The SDGs indicators framework (with report) will be endorsed by the UN General Assembly in Sep. 2016.
- ❑ After endorse each country can localize into each country context.
- ❑ The Statistical experts in each region are in the process of prioritization in regional and sub-regional priorities (target and indicators) .

# SDGs pre-localize in Cambodia

- ❑ Each country has been encouraged to conduct consultation among statistics unit and planning /agency/commission to priority targets and in national priority and data support to each indicators.
- ❑ Ministry of Planning will conduct a 2days consultation WS to:
  - Priority SDGs targets and Indicators into Cambodian context (GDP and planning units in LMs-LAs).
  - Make sure the prioritized targets and indicators will have data support (NIS and statistics units in LMs-LAs).
- ❑ The result of the WS will make shorter SDGs localized process.

# SDGs Localize in Cambodian Context (CSDGs)

- ❑ G9 of CMDGs will be added to CSDGs
- ❑ MOP (GDP) will facilitate the process of localization.
- ❑ Mechanism of Localize
  - Mechanism that used for Localizing MDGs to CMDGs,
  - Create another new mechanism?
  - **Existing mechanism (Government and TWG-PPR).**

# SDGs Localization in Cambodian Context (CSDGs) (con't)

- ❑ Process of Localization:
  - Review Goals, Targets, and Indicators.
  - Review achievements and un-finished goals.
  - New and continued Goals.
- ❑ **CSDGs into NSDP for Government Development Plan.**
- ❑ TWG-PPR/Sub-group Meeting to discuss on NSDP 2014-2018 MTR and CSDGs.

# M & E Framework

- ❑ NSDP 2014-2018 in Chapter 6: Government set up M & E System,
- ❑ Ministry of Planning is under process of preparation of National M&E System (National M&E Guideline already produced through consultation among government and DPs).
- ❑ Dec. 2015: Launch National M & E Guideline and Set up Steering Committee,
- ❑ The National M & E System will be used NSDP and CSDGs.

*Thank you !*
